Melanie went over everything a team needs to start practicing. Bethel, Eatonville, La Center and Yelm have turned everything in and are now practicing. You can add athletes as they complete everything.

We went over things that parents and athletes need to be aware of at meets.

1. Athletes and parents need to read the rule book. It is also their job to know the rules, not just the coaches.
2. Athletes and parents can only talk to the judge at the judges meeting. If there is a concern the parent and athlete need to follow the chain of command. Parent/Athlete to coach, coach to district chair, district chair to judge. Anyone can call to hold the course before it is taken down to resolve the discrepancy. Video taping will not be taken into consideration.
3. Only athletes with numbers on their back are allowed on horses or warming them up. NO parents or coaches allowed to ride or warm up. Another athlete may help.
