Please let your parents know that there are no horses in barns before 3:00 on Thursday. Arrival time is 3:00

Elma does not want anything plugged in the barns, so be prepared to have a food table at someone's camp site if you want hot food. You can have a grab and go table in the barn.

*Les Schwab Tires is donating \$1500 to each district to be used towards awards. One specific Les Schwab wants a DO IT RIGHT AWARD where people will fill out a nomination form and then these athletes will be voted on before the third meet. Buckle will be awarded

We will also be adding two buckles for each category of riding to our awards.

THANK YOU LES SCHWAB!

Sierra Breeze will be at meets 1 and 3. There was discussion about letting someone else come for meet 2, however he has requested that we pay his vendor fee and the decision was that we will not be doing that.

WE will have an apprentice judge at meet one with Kim Giglio (Twila Newbie)

State fee will remain the same \$100

We are looking for volunteers who might want to be a part of a committee planning a fun night for the athletes next year at state for our 20th anniversary.

If anyone has vendors that would be interested in being at state please let Melanie know

Meet stalls are \$60 and if you have your stall count early, Melanie would love preliminary numbers sooner than later.

Camping is first come first serve, NO SAVING SPOTS

Next meeting will be at our meet
