Scholarship 50/50 over \$250.00 raised.

PNWC will not be in Monroe. Question: keep it in Redmond? Central and very nice facility.

Hockinson will attend state board meeting in July.

PNWIC needs money. Rebecca asks district to sponsor for \$500? District would receive an ad, congratulate kids, etc. Question? How many from our district would attend if asked?

Need new district chair, vice chair, treasurer.

Jim and Chyma will stay as equipment masters.

Next district meeting to be announced.

Fees may be reduced next year. State has budget surplus of \$67,000. Question re: why doesn't state fund PNWC? Why all this scholarship fundraising? Why high fees at state?
