

## District #3 Meeting

### 10/14/18 @ 10:00am

Meeting was called to Order shortly after 10am, roll call was taken and a representative from all six teams were present.

Rebecca gave a treasures report that nothing has changed since our last meeting and that she is still having difficulty trying to balance last years finances. Jolene stated that out of the balance we still need to write checks to Camas and Woodland for fundraisers that they ran. Woodland also paid there \$10 that was owed from regionals and Cindy and Rebecca are trying to figure out if they still owe fees from meet three and what they are if any.

Jolene bought ink for the whole year to save the district money and Kurt got the district a newer computer (donated by someone) and is just waiting to find out what operating system to load in.

Rebecca asked that we have all our team registration fees in by Dec 15<sup>th</sup> and to have only one check from the team not payments from riders and if we could have one check for Cows, one for rider registration fees, and one for team fee that would make the books easier to do. She also asked that we mail her before or after the meets with a check for stalls and campsites but no later then the Wednesday after each meet.

We discussed the shaving situation for the stalls at each meet and have decided to charge \$60.00 per stall with 2 bags of shavings, \$50 per stall with no shavings. Jolene will need totals a week before as to how many stalls with or with out shavings and if your team wants to purchase any extra bags.

Kurt reported back on the sound system and the best deal was a system for roughly \$1710.00 plus tax. April made a motion to go ahead with the purchase of the system and Cindy second the motion a vote then took place and it was unanimous to go forward with the purchase.

We discussed what the teams would like to see as their third fun event, most teams didn't really have a preference. Woodland brought up boot race, three-legged race, and stick horse barrels. Enumclaw brought up doing a five-barrel race. With a lot of discussion, we decided to go with the boot race as that would leave us with having two events without horses and two with horses.

Meet 1. Lip Sync (Saturday Night)

Meet 2. Boot Race and the Birangle fundraiser

Meet 3. Polo turn (Friday before individual flags)

We did discuss doing the five-barrel race as the fundraiser next year and maybe alternate back and forth between the two events.

We discussed moving the saddle seat/driving to Saturday and reining to Friday we all agreed that would be an OK move. We also decided to move Jumping to Friday morning, so we don't have to have a judge there an extra night.

Jolene informed us that Castle Rock moved to district #2 so we are down to six teams and will have to pick up extra events to run. It was brought up that maybe we could switch sorting to the first event then roping and daubing so we could set up the night before, we tabled that until we are able to check with Jimmy (the cow guy). Cindy brought cow practice forms and Jolene had one in the agenda packet for the coaches. Below is a list of events and who is running them.
